FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 351—*T.A.D. B.* 2, *dated* 28*th April* 1937.

Subject:—Abolition of the Head of Account "Remount Fund" under V. Local and Other Funds 12, Military Funds.

To

1. All Treasury Officers.
2. The Chief Commandant, Mysore State Troops, Bangalore.

The head of account "Remount Fund" will be closed from 1st July 1937 *vide* Government Order No. G. 5696-7—Mily. 146-36-2, dated 4—9th February 1937. The Chief Commandant, Mysore State Troops, and all Treasury Officers are requested not to classify in the Treasury or Departmental accounts any item of receipts or charges under this head of account from 1st July 1937.

Amounts realised by the sale of cast horses and ponies of the Cavalry units which were hitherto being classified under this head will from next year be credited to 'Deduct Receipts' under 2. Mysore Lancers, Purchase of Remounts. All other items of receipts like portions of Riding School fees, Horse Training and exercising fees and Boarding out fees will be credited to XXIII. Army 4. Miscellaneous.

Subject—Regarding the presentation of Pre-audit Bills for audit before 22nd June 1937, in the Comptroller's Office.

Circular No. 320—*Pay Section of* 6*th June* 1937.

To

All Drawers of Bills in the State.

To avoid a rush of bills in the last few days of the official year, Drawing Officers are requested to send bills to this Office for pre-audit as early as possible and as each bill gets ready. Keeping them by till the end of the month of June causes inconvenience. On account of the heavy work in the Audit Office, bills for contingencies supplies, and services received in this office after the 22nd June 1937 cannot ordinarily be expected to be returned audited before the 30th June 1937.

Circular No. 889—*Loans, dated* 11*th May* 1937.

To

All Heads of Offices and Deputy Commissioners.

Payee's Receipts for drawing House Building, Motor Car and Bicycle Advances received in this office for pre-audit.

It is observed that though there are two sizes in the Payee's Receipt forms for claiming these amounts, the bigger size is rarely made use of, and the smaller size, (quarter sheet size) invariably made use of, is crowded with writing such as certificates of execution of bonds or of countersignature on both sides, by the Heads of Offices and Deputy Commissioners, leaving no clear space for impressing the pay order, etc., in this office and Treasuries; and much inconvenience is therefore felt. There is also the risk of wrong and excess payments owing to the entries being not clearly legible. It is therefore requested that the Heads of Offices and the Deputy Commissioners, will kindly see that, either the bigger forms are used or that sufficient space is reserved on the back of the payee's receipts, for use of this office and the Treasuries in future.

Receipts sent to this office for pre-audit in disregard of this instruction will be liable to be returned unaudited.

A. N. RAGHAVACHAR,
Comptroller.

Circular No. 889—*Loans, dated* 11*th May* 1937.

To

All Heads of Offices and Deputy Commissioners.

Payee's Receipts for drawing House Building, Motor Car and Bicycle Advances received in this office for pre-audit.

It is observed that though there are two sizes in the Payee's Receipt forms for claiming these amounts, the bigger size is rarely made use of, and the smaller size, (quarter sheet size) invariably made use of, is crowded with writing such as certificates of execution bonds or of countersignature on both sides, by the Heads of Offices and Deputy Commissioners, leaving no clear space for impressing the pay order, etc., in this office and Treasuries; and much inconvenience is therefore felt. There is also the risk of wrong and excess payments owing to the entries being not clearly legible. It is therefore requested that the Heads of Offices and the Deputy Commissioners, will kindly see that, either the bigger forms are used or that sufficient space is reserved on the back of the payee's receipts, for use of this office and the Treasuries in future.

Receipts sent to this office for pre-audit in disregard of this instruction will be liable to be returned unaudited.

A. N. RAGHAVACHAR,
Comptroller.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 889—*Loans, dated* 11*th May* 1937.

To

All Heads of Offices and Deputy Commissioners.

Payee's Receipts for drawing House Building, Motor Car and Bicycle Advances received in this office for pre-audit.

It is observed that though there are two sizes in the Payee's Receipt forms for claiming these amounts, the bigger size is rarely made use of, and the smaller size, (quarter sheet size) invariably made use of, is crowded with writing such as certificates of execution of bonds or of countersignature on both sides, by the Heads of Offices and Deputy Commissioners, leaving no clear space for impressing the pay order, etc., in this office and Treasuries; and much inconvenience is therefore felt. There is also the risk of wrong and excess payments owing to the entries being not clearly legible. It is therefore requested that the Heads of Offices and the Deputy Commissioners, will kindly see that, either the bigger forms are used or that sufficient space is reserved on the back of the payee's receipts, for use of this office and the Treasuries in future.

Receipts sent to this office for pre-audit in disregard of this instruction will be liable to be returned unaudited.

A. N. RAGHAVACHAR,
Comptroller.

IN THE HIGH COURT OF MYSORE AT BANGALORE.

Criminal Side.

Circular No. 277, *dated* 12*th June* 1937.

The High Court directs that the following instructions be followed in maintaining the Diary and Hearing Book prescribed for all the Criminal Courts in Rule of Practice No. 92, dated 12th June 1937.

The Diary must be written up daily. In the second column every case posted or adjourned to the day and every case in which any action is taken or any application is made to the Court must be entered successively. Against the entry in Column 2 in regard to each case a brief record of what is done in the day must be entered, *e.g.*, which witnesses were examined, which exhibits were admitted in evidence, what orders were made, etc. Below the entries in the Diary for each day the Judge or Magistrate must sign his name or write his initials putting the date when he does so not later than the following Court day after satisfying himself that the entries for the day are correct and complete.

Each page of the Hearing Book should be divided horizontally by lines drawn so as to leave convenient spaces for the number of cases posted to a day according to the nature of the work of the Court. In that way a space should be prepared beforehand for all working days of a calendar month. Immediately a case is posted or adjourned to any date, its number should be entered in Column 3 of the space for that day. When that has been done the presiding officer will be able to see at a glance which days are free or sufficiently free for further postings.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 354—B.II., dated 26th June 1937.

***Re* the preparation of an extra copy of the schedule of credits to the Red Cross Society by the Treasuries for forwardal to the Honorary Secretary of the Fund.**

The Honorary Secretary of the Indian Red Cross Society (Mysore State Branch) having intimated this office that details of credits to the "Red Cross Society Fund" by Panchayets are required for the proper maintenance of the accounts of the Fund, each of the Taluk Treasuries in the State is hereby instructed to prepare an additional carbon copy of the

schedule under the above head every month and forward it to the District Treasury concerned, which will in turn consolidate the schedules of all its Taluk Treasuries and forward them to the Honorary Secretary of the Fund. This procedure may be adopted by all the treasuries with effect from 1st July 1937.

Circular No. 355—Bills, dated 26th June 1937.

To

All the Treasury Officers.

Subject.—Note of premia recovered on R. T. R's. and the commission charged on Treasury Cash Orders and Supply Bills in the respective schedules.

Several instances of omission to note, in the respective schedules, the amount of premium recovered or the commission charged for the issue of R. T. R's., Treasury Cash Orders and Supply Bills having come to notice, all the Treasury Officers are requested to arrange to enter in every case, in future, the amounts so recovered, in the column provided for the purpose in the Receipt Schedules of R. T. R's. and of Supply Bills and Treasury Cash Orders, against each item of issue. This will avoid unnecessary correspondence between this office and the treasury in cases of omission, as otherwise it is not easy for this office, to trace any item of premium recovered or commission charged, into the Receipt Schedule of "XIII Mis. 6. Mis. premium on Supply Bills, etc.", wherein all such recoveries are accounted.

It is also necessary that at the close of each month these columns in the Receipt Schedules of R. T. R's. Supply Bills and Treasury Cash Orders should be totalled and the consolidated total of the two schedules should also be agreed with the cash account figure of the Treasury for the month, under "XIII Mis. 6. Mis. premium on Supply Bills, etc.", a note of such agreement being made on the Receipt Schedule of R. T. R's.

This procedure should be given effect to immediately commencing with the accounts for June 1937.

A. N. RAGHAVACHAR,
Comptroller.

Circular No. 354—*B.II., dated* 26*th June* 1937.

***Re* the preparation of an extra copy of the schedule of credits to the Red Cross Society by the Treasuries for forwardal to the Honorary Secretary of the Fund.**

The Honorary Secretary of the Indian Red Cross Society (Mysore State Branch) having intimated this office that details of credits to the " Red Cross Society Fund " by Panchayets are required for the proper maintenance of the accounts of the Fund, each of the Taluk Treasuries in the State is hereby instructed to prepare an additional carbon copy of the schedule under the above head every month and forward it to the District Treasury concerned, which will in turn consolidate the schedules of all its Taluk Treasuries and forward them to the Honorary Secretary of the Fund. This procedure may be adopted by all the treasuries with effect from 1st July 1937.

Circular No. 355—*Bills, dated* 26*th June* 1937.

To

All the Treasury Officers.

Subject.—Note of premia recovered on R. T. R's. and the commission charged on Treasury Cash Orders and Supply Bills in the respective schedules.

Several instances of omission to note, in the respective schedules, the amount of premium recovered or the commission charged for the issue of R. T. R's., Treasury Cash Orders and Supply Bills having come to notice, all the Treasury Officers are requested to arrange to enter in every case, in future, the amounts so recovered, in the column provided for the purpose in the Receipt Schedules of R. T. R's. and of Supply Bills and Treasury Cash Orders, against each item of issue. This will avoid unnecessary correspondence between this office and the treasury in cases of omission, as otherwise it is not easy for this office, to trace any item of premium recovered or commission charged, into the Receipt Schedule of " XIII Mis. 6. Mis. premium on Supply Bills, etc.", wherein all such recoveries are accounted.

It is also necessary that at the close of each month these columns in the Receipt Schedules of R. T. R's. Supply Bills and Treasury Cash Orders should be totalled and the consolidated total of the two schedules should also be agreed with the cash account figure of the Treasury for the month, under " XIII Mis. 6. Mis. premium on Supply Bills, etc.", a note of such agreement being made on the Receipt Schedule of R. T. R's.

This procedure should be given effect to immediately commencing with the accounts for June 1937.

A. N. RAGHAVACHAR,
Comptroller.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 355—Bills, dated 26th June 1937.

To

All the Treasury Officers.

Subject.—Note of premia recovered on R. T. R's. and the commission charged on Treasury Cash Orders and Supply Bills in the respective schedules.

Several instances of omission to note, in the respective schedules, the amount of premium recovered or the commission charged for the issue of R. T. R's., Treasury Cash Orders and Supply Bills having come to notice, all the Treasury Officers are requested to arrange to enter in every case, in future, the amounts so recovered, in the column provided for the purpose in the Receipt Schedules of R. T. R's. and of Supply Bills and Treasury Cash Orders, against each item of issue. This will avoid unnecessary correspondence between this office and the treasury in cases of omission, as otherwise it is not easy for this office, to trace any item of premium recovered or commission charged, into the Receipt Schedule of "XIII Mis. 6. Mis. premium on Supply Bills, etc.", wherein all such recoveries are accounted.

It is also necessary that at the close of each month these columns in the Receipt Schedules of R. T. R's. Supply Bills and Treasury Cash Orders should be totalled and the consolidated total of the two schedules should also be agreed with the cash account figure of the Treasury for the month, under "XIII Mis. 6. Mis. premium on Supply Bills, etc.", a note of such agreement being made on the Receipt Schedule of R. T. R's.

This procedure should be given effect to immediately commencing with the accounts for June 1937.

Mysore Local Examinations.

Notification D. No. 15—37-38, *dated* 27*th July* 1937.

A statement showing the latest dates for sending in applications for the several Local Examinations of 1938 appended hereto is notified for general information. Special attention is invited to the following points :—

1. Applications for admission to the examinations should be submitted on printed forms which will be supplied on application to the Secretary, Local Examinations Boards, New Public Offices, Bangalore, after the 1st October 1937. All requisitions for forms should reach the Secretary *at least a fortnight before* the latest date prescribed for sending in the applications for admission to the examination. The Secretary will not be responsible for non-receipt of forms owing to the requisitions being sent too late or to the person not giving full postal address, etc.

2. Fees as shown in Column No. 4 of the statement against the particular examination to which the candidate seeks admission should be credited into a Mysore Government Treasury in time for sending in the applications by registered post so as to reach the Secretary, Local Examinations Boards, on or before the date mentioned in Column 3, after which date, *no applications will be received for that particular examination.*

3. Fees sent in cash in any form will not be accepted. Candidates should make their own arrangements for paying application fees for the examination into a Mysore Government Treasury and send the printed application form with the Treasury receipt and seal noted thereon within the specified date.

4. All columns in the form of application should be carefully and correctly filled up and no column should be left blank. The enclosures mentioned in column No. 5 in the statement should invariably be attached to the applications for admission to the examination. Applications found *defective in any respect* will be rejected and returned to the party and *requests for refund of fees on the ground that the applications were rejected will not be entertained.*

Note.—(i) If a candidate has lost the pass certificate granted to him by the Local Examinations Boards for the Middle School, Upper Primary, Lower Secondary, Upper Secondary, Teachers' Certificate, Pandits', Moulvis', Commercial, or S.S.L.C. Examination, he should pay a fee of annas 8 (annas eight) into any of the Mysore Government Treasuries (Re. 1 in the case of Commercial Examination, Rs. 2 in the case of the S.S.L.C. Examination) and send the Treasury receipt obtained to this office with information on the undermentioned points and details of the circumstances under which the original certificate was lost :—

(*a*) Name of the Examination passed.
(*b*) Register Number and the year of passing the examination.
(*c*) Centre taken by him.
(*d*) Father's name.
(*e*) School from which he passed, if he was a school candidate.
(*f*) Results.—Whether Pass or First Class, E. P. or E. C. should be stated in regard to S.S.L.C.

(ii) All applications for issue of a duplicate pass certificate should be sent so as to reach the Secretary, Local Examinations Boards, Bangalore,

not later than the 15th October 1937, to ensure their being issued in time for use by the candidates.

The Secretary may refuse to issue the duplicate certificate if he is not satisfied as to the genuine nature of the request for the duplicate and in that event, the fees paid will not be refunded.

(iii) The heads of schools sending up candidates for the several Public Examinations of 1938 are requested to see that either the original pass certificates or duplicates thereof, which should form enclosures to the applications for candidature (as required in Column 5) are obtained by the candidates not later than the 15th October 1937. *The candidates should under no circumstances be allowed to send either their applications for duplicate pass certificates or the Treasury Chellans as enclosures to the applications for candidature.*

5. Boy-candidates will not be admitted to the Mysore Middle School Examination by *private study* unless they send with their application forms sufficient proof to show that they had sat for the English Lower Secondary or Middle School Examination (with English as First Language) in 1937 or before and had failed at the examination or unless they are specially permitted by the President, Local Examinations Boards, in which latter case, the original permission granted should be attached to their applications for admission to the examination. Teachers in recognised schools and girl-candidates may, however, appear for the examination, by private study, without previously obtaining permission as referred to above.

6. The printed column in the application form for non-attendance certificate in the case of private candidates (both boys and girls) for the S.S.L.C., Middle School and Upper Primary Examinations of 1938 should be filled up before the form of application is sent to Secretary, Local Examinations Boards. The officers who sign the certificates of non-attendance are requested to satisfy themselves that the candidate is a *bona-fide* private candidate and that no scope for irregularity of any kind is allowed in this respect.

7. (i) Applications for transfer of centres, if any, only in respect of the Middle School or the Upper Primary Examinations (Vernacular Lower Secondary) should ordinarily reach the Secretary, Local Examinations Boards, New Public Offices, Bangalore, on or before the 31st January preceding the examination, supported with sufficient and valid reasons.

(ii) A fee of Re. 1 will be levied in respect of each such application submitted for good reasons, between the 1st and 15th February preceding the examination. Each application for change of centre submitted during this period should be accompanied by a treasury receipt for Re. 1. No change of centre will be granted *under any circumstances after the 15th February preceding the Examination.*

(iii) Applications for change of centres in the case of School candidates should be submitted through the Heads of the Middle or Upper Primary Schools and, in the case of private candidates, through their parents or guardians.

(iv) Applications for a change of centre should contain information on the points noted below.—

(1) The centre originally elected by the candidate.
(2) The centre to which his name is required to be transferred.
(3) Whether the change of centre applied for is for the Middle School Examination or for the Upper Primary (Lower Secondary) Examination.
(4) Reasons urged for the transfer supported by the parent or guardian of the pupil.

Note.—The Secretary, Local Examinations Boards, Bangalore, may refuse to change the centre of examination if proper reasons in support of the change asked for are not furnished.

8. The fees once paid into the Treasury for admission to the Middle School or Upper Primary Examination shall, on no account, be refunded but may be reserved for the examination the following year *on grounds of illness* supported by a medical certificate by a competent authority not lower in rank than a District Medical Officer or by a Medical Graduate countersigned by the District Medical Officer, provided that the candidate appears for the examination during the year subsequent to the one in which he has paid the fee and provided also the application for such reservation be sent so as to reach the Secretary, Local Examinations Boards, Bangalore, on or before the date of the examination.

The fee paid for a change of centre will neither be refunded nor reserved for a subsequent examination, if the change has been refused for want of proper reasons in support of the change asked for.

9. The Heads of Institutions sending up candidates for the Middle School or the Upper Primary Examination of 1938 are requested to send (*a*) a consolidated list of candidates arranged in accordance with the optional subjects taken by them along with the applications, and (*b*) a consolidated list of candidates who are deficient in attendance calculated up to the end of February 1938, so as to reach the Secretary, Local Examinations Boards, Bangalore, *not later than the 5th March* 1938. If in any particular school, no candidate requires exemption from shortage of attendance, **a nil statement should be sent.** The attention of the Heads of Institutions is invited to Inspector-General's Circular No. 36 of 1926-27, dated the 6th April 1927, according to which exemptions will be granted only in cases of short

periods not exceeding 20 to 25 days. It may be noted that all candidates who take the school course, whether they are *first year pupils* or *second year pupils*, should put in the required attendance.

N.B.—Forms of recommendation for exemption should be applied for by the Heads of Institutions along with the requisition for forms of application for admission to the Middle School or the Upper Primary Examination of 1938.

10. The heads of High Schools sending up candidates for the S S.L.C. Public Examination will kindly note the following points in connection with the preparation and submission of applications for candidature:—

(*a*) Candidates should be asked to give their *correct* date of birth, *viz.*, the day, month and year, in the form of application *as entered in the Admission Register* of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter only the father's name in the form of application and not the guardian's name.

(*b*) The heads of institutions should satisfy themselves that the entries in the S.S.L.C. cards correspond with the entries in the form of application for admission to the examination in every respect and that the date of birth entered in the S.S.L.C. card corresponds with that in the Admission Register of the School.

(*c*) The heads of High Schools should arrange the applications and the S.S.L.C. cards separately in the same order, first according to the second language chosen by them and secondly, in the alphabetical order under the several second languages. In no case should the applications and the S.S.L.C. cards be mixed up, as this will lead to confusion while checking the applications. The applications and S.S.L.C. cards of candidates who have been declared "Passed" in previous years should be separated from others and arranged in the same manner as noted above.

(*d*) A classified statement showing the names of candidates under "Ordinary" and "Supplementary" Certificates, the several second languages and additional subjects offered by them should accompany the applications for candidature.

11. The admission tickets of candidates who appear for the several Local Examinations of 1938 *by private study*, will be sent direct to the candidates concerned by ordinary post to the address furnished by them in their application for admission to the examination about 15 days prior to the date of the commencement of the examination to which the particular candidate has appeared. Private candidates are therefore advised to enter their postal addresses clearly in their application forms. *The Examination Office cannot undertake to note the changes in the addresses intimated after the applications are sent in.* The Examination Office will not be responsible for non-delivery of admission tickets, etc., sent to the candidates concerned in consequence of the incompleteness or inaccuracy of the postal addresses furnished by them.

12. Applications for the Teachers' Certificate Examination—Secondary Grade (both Theory and Practical) from private candidates will be rejected unless they have appeared for the examination and failed at least once. But teachers in recognised schools who have put in five years' service or more and who had no chance of being deputed for training by the Department may be admitted to the examination by private study, subject to the condition that they possess the minimum general qualifications prescribed for the examination provided that applications for admission to the examination are accompanied by certificates issued by the Inspecting Officer in direct charge of the school to the effect that the teacher possesses the minimum general educational qualification prescribed therefor, that he has put in five years' approved service in a recognised school, that he has been adopting approved methods of teaching in the school and that he is fit to take the examination by private study.

13. The admission of candidates to the Vernacular Teachers' Certificate Examinations, by private study, is regulated as hereunder—

(*a*) *First Examination.*—

(1) Persons who had sat for the Lower Secondary Training Examination (one year or two year course) under the old rules and failed therein.

(2) Persons who had sat for the Upper Secondary Examination under the old rules and failed in one or both the groups.

(3) Teachers in recognised schools who have put in five years' service or more and who had no chance of being deputed for training by the Department may be admitted to the examination subject to the condition that they possess the minimum general qualification prescribed for the examination and subject to the production of the kind of certificate prescribed for the Teachers' Certificate Examination—Secondary grade.

(*b*) *Second Examination.*—

(1) Persons who have passed the Upper Secondary or S.S.L.C. Examination.

(2) Persons who had appeared for the first examination by private study and passed therein.

14. It should be clearly understood that the provisions in this Notification do not in any sense supersede the detailed Notifications relating to the several examinations and that the provisions in the detailed Notifications should be fully satisfied before any candidate is registered for the examination to which he seeks admission.

MISCELLANEOUS DEPARTMENTS

OFFICE OF THE SUPERINTENDENT, GOVERNMENT STATIONERY DEPOT, BANGALORE.

Memo No. S 416, *dated 2nd August* 1937.

Subject :—Requisitions for the supply of stationery articles in exchange for other stationery articles returned out of the supplies made from the Stationery Depot as per sanctioned Standing Lists.

To

All Officers entitled to indent on the Stationery Depot for the supply of stationery articles and forms.

The undersigned has the honor to state that requisitions are being received from several offices and institutions for the supply of stationery articles in exchange for certain other articles returned by them on the ground that the stationery articles asked for in exchange have been exhausted. These requisitions entail heavy additional work on the Depot.

With a view to avoid duplication of work and minimise correspondence on the subject, all indenting officers are hereby informed that if the quantity of any stationery article fixed in their Standing List does not correspond with their present requirements, they may kindly take steps to reduce the quantity of such article and intimate the fact to this office or to increase the quantity by getting Government sanction therefor.

All indenting officers are therefore requested to take necessary action in the matter and communicate the result to this office before the end of December 1937, so that the Standing Lists may be revised where necessary. It may also be kindly noted that requisitions for the supply of stationery articles in exchange received after the 1st January 1938 cannot be complied with by the Stationery Depot.

OFFICE OF THE SUPERINTENDENT, GOVERNMENT STATIONERY DEPOT, BANGALORE.

Memo No. S. 416, dated 2nd August 1937.

Subject :—Requisitions for the supply of stationery articles in exchange for other stationery articles returned out of the supplies made from the Stationery Depot as per sanctioned Standing Lists.

To

All Officers entitled to indent on the Stationery Depot for the supply of stationery articles and forms.

The undersigned has the honor to state that requisitions are being received from several offices and institutions for the supply of stationery articles in exchange for certain other articles returned by them on the ground that the stationery articles asked for in exchange have been exhausted. These requisitions entail heavy additional work on the Depot.

With a view to avoid duplication of work and minimise correspondence on the subject, all indenting officers are hereby informed that if the quantity of any stationery article fixed in their Standing List does not correspond with their present requirements, they may kindly take steps to reduce the quantity of such article and intimate the fact to this office or to increase the quantity by getting Government sanction therefor.

All indenting officers are therefore requested to take necessary action in the matter and communicate the result to this office before the end of December 1937, so that the Standing Lists may be revised where necessary. It may also be kindly noted that requisitions for the supply of stationery articles in exchange received after the 1st January 1938 cannot be complied with by the Stationery Depot.

Abstract Notificaton No. S. 416, dated 2nd August 1937.

The attention of all officers entitled to indent on the Government Stationery Depot, Bangalore, for supplies is invited to the Notification published in page 1331 of Part III—2 of the *Mysore Gazette,* dated the 5th August 1937 regarding requisitions for the supply of stationery articles in exchange for other articles returned out of the supplies made from the Stationery Depot as per sanctioned Standing Lists.
